1. INTRODUCTION

The Board of Directors (the “**Board**”) of Link Asset Management Limited, as manager (the “**REIT Manager**”) of Link Real Estate Investment Trust (“**Link REIT**”), wishes to announce that its indirect wholly-owned subsidiary, Link 2019 CB Limited (the “**Issuer**”) intends to issue guaranteed green convertible bonds (the “**Bonds**”) of five-year maturity, convertible into new units of Link REIT with an aggregate principal amount of up to HK\$5 billion (the “**Issue**”). Each of The Link Holdings Limited (“**HoldCo**”), Link Properties Limited (“**PropCo**”) and HSBC Institutional Trust Services (Asia) Limited in its capacity as trustee, and with recourse limited to the assets, of Link REIT (the “**REIT Trustee**”, together with the HoldCo and the PropCo, the “**Guarantors**” and each a “**Guarantor**”) will jointly and severally guarantee the due payment of all sums expressed to be payable by the Issuer under the Bonds and the trust deed to be entered into in relation to the Bonds (the “**Bond Trust Deed**”).

The Bonds will be placed to institutional investors and/or professional investors only. The REIT Manager will promptly notify the SFC of any dealings by connected persons of Link REIT in the Bonds upon it becoming aware of such dealings and will comply with the relevant provisions of the REIT Code in respect thereof. None of the Bonds will be offered to the public in Hong Kong and none of the bonds will be placed to any connected persons of Link REIT, save for any Bonds which may be taken up by HSBC pursuant to its underwriting obligations under the Subscription Agreement, which are to be held subject to certain covenants and restrictions. The Hongkong and Shanghai Banking Corporation Limited and J.P. Morgan Securities plc have been appointed as joint lead managers, bookrunners and underwriters for the Issue of the Bonds (together, the “**Joint Lead Managers**”).

The terms and conditions of the Bonds (the “**Terms and Conditions**”) will be finalised upon the pricing of the Issue, following the completion of a book-building exercise by the Joint Lead Managers.

2. PRICING OF THE BONDS

Pricing of the Bonds is expected to take place on or around 7 March 2019. A summary of the indicative Terms and Conditions is set out in the Appendix to this announcement. An announcement of the definitive terms of the Bonds will be made following pricing of the Bonds.

As at the date of this announcement, Link REIT has an aggregate of 2,109,321,254 Units in issue. Assuming (a) there is no other change in the existing unitholding of Link REIT; and (b) full conversion of the Bonds based

on the initial Conversion Price of HK\$109.39¹ per Unit, a maximum of 45,708,017 New Units will be issued, representing (i) approximately 2.17% of the total number of Units in issue as at the date of this announcement; and (ii) approximately 2.12% of the number of Units in issue as enlarged by the issue of the New Units.

The indicative initial Conversion Price of HK\$109.39 represents:

- (i) a premium of approximately 22.50% to the closing price of HK\$89.30 per Unit as quoted on the Hong Kong Stock Exchange on the last Trading Day;
- (ii) a premium of approximately 21.88% to the average closing price of HK\$89.75 per Unit for the last 5 consecutive Trading Days up to and including the last Trading Day;
- (iii) a premium of approximately 22.52% to the average closing price of HK\$89.29 per Unit for the last 10 consecutive Trading Days up to and including the last Trading Day; and
- (iv) a premium of approximately 28.08% to the unaudited consolidated net asset value per Unit attributable to Unitholders as of 30 September 2018 of HK\$85.41,

where “Trading Day” means a day when the Hong Kong Stock Exchange or, as the case may be, an Alternative Stock Exchange is open for dealing business, provided that if no Closing Price is reported in respect of the relevant Units on the Hong Kong Stock Exchange or, as the case may be, the Alternative Stock Exchange for one or more consecutive dealing days such day or days will be disregarded in any relevant calculation and shall be deemed not to have existed when ascertaining any period of dealing days.

3. STATUS OF THE BONDS AND THE NEW UNITS

The Bonds will constitute direct, unconditional, unsubordinated and (subject to the Terms and Conditions) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Bonds, save for such exceptions as may be provided by applicable legislation and subject to the Terms and Conditions, will at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer.

The New Units will be issued, fully paid and in all respects rank *pari passu* with the Units in issue, on the relevant date to the person or persons registered in Link REIT’s register of Unitholders (the “**Registration Date**”).

¹ Using a conversion premium of approximately 22.5% above the closing price of the Unit as quoted on the Hong Kong Stock Exchange on 7 March 2019

Save as provided for in the Terms and Conditions, a holder of Units issued on conversion of Bonds shall not be entitled to any rights the record date for which precedes the relevant Registration Date.

4. STATUS OF THE GUARANTEE

Each of the Guarantors will, jointly and severally, unconditionally and irrevocably guarantee the due payment of all sums expressed to be payable by the Issuer under the Bond Trust Deed and the Bonds. Each of the Guarantors' obligations in that respect (collectively, the "**Guarantee**") will be contained in the Bond Trust Deed. The Guarantee will constitute direct, unconditional and unsubordinated obligations of each of the Guarantors and will at all times rank *pari passu* and without any preference among themselves.

5. LISTING

Application will be made to The Stock Exchange of Hong Kong Limited (the "**Hong Kong Stock Exchange**") for the listing of the Bonds (under Chapter 37 of the Rules Governing the Listing of Securities on the Hong Kong Stock Exchange) and the Units to be issued upon conversion of the Bonds (the "**New Units**") on the Hong Kong Stock Exchange.

6. CLOSING DATE

The closing date for the issue is currently expected to be on or about 3 April 2019 (the "**Closing Date**").

7. REASONS FOR AND BENEFITS OF THE ISSUE OF THE BONDS

The Board considers that the issue of the Bonds represents an opportunity to refinance or fund, in whole or in part, existing and future eligible green projects of Link REIT's Green Finance Framework.

The Board has been keeping abreast of the latest market conditions and the pros and cons of different financing alternatives in terms of costs and timing involved, and in view of the current market situation and Link REIT's financial condition, the Board believes that the proposed issuance of Bonds is in the best interests of Link REIT and the Unitholders as a whole.

The REIT Manager believes that the proposed issue of the Bonds will bring the following benefits to Unitholders:

- i. **Replenishment of Link REIT's maturing facilities:** As at the end of January 2019, Link REIT has in place facilities of approximately HK\$33.7 billion in aggregate (the "**Facilities**") of which approximately HK\$24.6 billion was drawn and approximately HK\$6.8 billion will expire in the financial year ended 31 March 2020. The proposed issue of Bonds will replenish Link REIT's maturing Facilities.

- ii. **Diversification of funding source and expansion of investor base:** Link REIT has not issued any convertible bonds before. The proposed issue of Bonds will be a new funding source for Link REIT and is in line with its capital management strategy of diversifying funding source. Investors for convertible bonds are typically different from the investors in straight bonds and loan markets. The proposed issue of Bonds can further expand the investor base of Link REIT.
- iii. **Possible increase in trading liquidity of Units:** The New Units to be issued upon full conversion of the Bonds could increase the number of Units in issue by a maximum of approximately 46 million, which is an increase of (a) 2.17 per cent. of the total number of Units currently in issue; and (b) approximately 2.12 per cent. of the number of Units in issue as enlarged by the Conversion. This increase in the total number of Units in issue is expected to improve the level of trading liquidity of the Units.

The terms of the Subscription Agreement and the Terms and Conditions were arrived at after arm's length negotiations between the parties to the Subscription Agreement with reference to the prevailing trading prices of the Units and the financial conditions of Link REIT. The REIT Manager considers that the terms of the Subscription Agreement and the Terms and Conditions are made on normal commercial terms and are fair and reasonable as far as the Unitholders are concerned, and the issue of the Bonds is in the best interests of Link REIT and the Unitholders as a whole.

8. USE OF PROCEEDS

The REIT Manager expects to use the net proceeds (after deduction of commissions and other related expenses) from the issue of the Bonds to refinance or fund, in whole or in part, existing and future eligible green projects of Link REIT's Green Finance Framework. The REIT Manager expects that a substantial portion of such net proceeds will be used towards such eligible green projects, with the remaining portion being used for general corporate purposes.

Link REIT's Green Finance Framework has been developed by Link REIT to govern how it enters into green financing transactions to fund projects that deliver environmental benefits that support and are aligned with Link REIT's business strategy and vision. Green financing transactions include debt or financing structures that support eligible green projects, which are selected in accordance with the eligibility criteria outlined in the framework.

9. AUTHORITY TO ISSUE THE BONDS

The New Units will be issued by Link REIT pursuant to, and within the limits of the authority conferred upon Link REIT under paragraph 12.2 of the Code on Real Estate Investment Trusts issued by the SFC (the "**REIT Code**") and

Clause 8 of the trust deed dated 6 September 2005 between the REIT Trustee and the REIT Manager constituting Link REIT (as amended and supplemented by twelve supplemental deeds) (collectively, the “**Link REIT Trust Deed**”), pursuant to which Units may be issued in any financial year otherwise than on a pro rata basis to all existing unitholders of Link REIT (“**Unitholders**”), without the approval of the Unitholders, if the total number of new Units issued (after making certain adjustments) does not increase the number of Units that were outstanding at the end of the previous financial year by more than 20% (or such other percentage of outstanding Units as may, from time to time, be prescribed by the SFC).

Completion of the Subscription Agreement is subject to the satisfaction and/or waiver of the conditions precedent therein. In addition, the Subscription Agreement may be terminated under certain circumstances.

WARNING: As the Subscription Agreement may or may not be completed, the Bonds may or may not be issued or listed and the New Units may or may not be issued or listed, Unitholders and potential investors are advised to exercise caution when dealing in the securities of the Issuer and Link REIT.

The REIT Manager shall make a further announcement on the date of signing of the Subscription Agreement.
