Lok Fu Plaza Haunted Studio – Summary

A world-renowned film studio suddenly halted all production. Horrifying events followed one after another. Screams of despair and sounds of a soul-chilling wail pierced the night. Angry spirits roamed the streets...it is widely believed that the once beloved studio is under an irrevocable curse. One cold dark night, the studio lights suddenly lit up the sky, attracting all ghosts, spirits and demons to walk the Earth again. Challenge yourself to a test of courage and discover the terrifying thrills and excitement of Lok Fu Plaza Haunted Studio!

Enter if you DARE but BEWARE because you're in for a SCARE...

<p>Bloody Tunnel of Terror</p> 	<p>Upon entering the tunnel, your senses are slowly compromised by strips of film tinged with blood. You start to lose sight but off in the distance, you make out a figure of a slight female ghost beckoning you...</p>
<p>Zone 1: The Doomed Path of Destiny</p> 	<p>『Your life is in the palm of my hand!』</p> <p>On the Doomed Path of Destiny, you see the Undead Director staring back at you. As he grabs and reads your palm, he designs a subsequent death trail for you to embark on. Joined by your partner, you will find yourself in the middle of the scariest scenes of all time from all-too-familiar horror movies.</p> <p>Your torturous journey has officially begun!</p>
<p>Zone 2: The Castle of the Blood Undead</p> 	<p>In the eerie candlelight, you see an empty coffin sitting in the room. You slowly turn to find the vicious vampire standing right behind you, grasping for your neck, which is now within his deadly reach...</p>
<p>Zone 3: The Chilling Church of Wax</p> 	<p>As you enter the church, you find uncanny lifelike wax sculptures filling the inside of the creepy chapel, sending shivers down your spine...Escape is your only hope of survival!</p>

Zone 4: The Ghost of King Kong

Be careful of stumbling into the metal cage holding the beastly ghost of King Kong as he cries out to you. Run away, so you can live to see another day!

Zone 5: Qing Palace Coffin Home

Inside the ice-cold coffin home filled with funeral urns and Chinese curses and spells scribbled on the walls, you see expressionless Chinese paper dolls and a restless female ghost looking to be buried with you...

Zone 6: The Terracotta Ghost Army

You must continue forward through the spine-chilling Terracotta Army Pit. You think you have finally reached the end of your journey as you brush shoulders with one warrior after the next but you are dead wrong: The Terracotta Army won't let you go so easily...

Zone 7: Hall of Mirrors

Your head has cooled and your heart has calmed, but you've barely recovered before stumbling into the Hall of Mirrors of hair-raising, bloodcurdling reflections...

Zone 8: The Resurrected Ghost

Want to escape the Haunted Studio?
It's too bad you're stuck in the dizzying trap of TVs when the resurrected ghost decides to make an appearance ... Your only choice is to run away!
