

Stanley Plaza Sunday Summer Jam 2014

For the third year, The Link's Stanley Plaza presents the widely acclaimed "Sunday Summer Jam", which will pack the Amphitheatre at Stanley Plaza with exciting and energetic music. This year, elements of the Flip Flop free style, popular in Europe and the US, will give the event a youthful vibe. Over the course of five consecutive Sundays as well as a public holiday (Tuen Ng Festival on 2 June) during the "Sunday Summer Jam" in June, visitors and music fans can enjoy free live music performances of local and international artists at Stanley Plaza Amphitheatre.
