| 1 | Arts' Options             | Inspirational Drama Programme for Elderly<br><a href="https://www.facebook.com/ArtsOptions/">https://www.facebook.com/ArtsOptions/</a>   | <p>Founded by a group of renowned theatre actors, Arts' Options believes that performing arts can improve the health and well-being of the elderly and enable them to express themselves, present their talents and follow their dreams.</p> <p>Entering its third year, the project will continue to provide professional theatre training and public performance opportunities for elderly people, aiming to unleash their potential, even turning their hobby into a second career. Arts' Options aspires to set up the first ever seniors theatre troupe in Hong Kong.</p>   |
| 2 | Bo Charity Foundation     | Food Angel - We Link We Share Programme<br><a href="https://www.facebook.com/FoodAngelHK/">https://www.facebook.com/FoodAngelHK/</a>   | <p>In its sixth consecutive year, Food Angel will continue to collect surplus food at Link's fresh markets and shopping centres to help prepare meal and food packs for the needy. The project targets to save more than 600 tonnes of food waste each year and benefit 1.9 million people.</p> <p>In 2021/22, Food Angel will set up revolving pop-up stores in Link's malls to spread the message of food waste reduction and food saving.</p>   |
| 3 | Environmental Association | Nature LINK 2022<br><a href="https://www.naturelink.hk/">https://www.naturelink.hk/</a><br><a href="https://www.facebook.com/fungyuenbutterfly">https://www.facebook.com/fungyuenbutterfly</a> | <p>The Environmental Association is an environmental advocacy organisation that has encouraged change-making through participation for more than 20 years. As a continuation, “Nature LINK” will oversee the creation of three more outdoor butterfly gardens at Link's malls for year 2021/22, creating a territory-wide urban “stepping stone” habitat and strengthening the connection of butterflies' network. Ambassadors will be recruited from the community and trained to manage these gardens. For the first time, the project will hold a “My Garden” design competition to further enhance community engagement.</p> <p>Butterflies have unique ecological, scientific and ornamental values. This project serves as a start to the journey of building an ecosystem favoured by butterflies in the urban area, increasing biodiversity locally and protecting and restoring life on land.</p> |

| 4 | Hong Kong Guide Dogs Association (HKGDA) | Guide Dogs Development Programme<br><a href="https://www.facebook.com/HKGDA/">https://www.facebook.com/HKGDA/</a>  | Link has opened its properties for guide dog puppies training since 2013 and has been supporting HKGDA for eight years to increase public awareness of guide dog services. In 2021/22, HKGDA will continue the local breeding and training of guide dogs in Hong Kong, aiming to benefit visually impaired persons and promote an inclusive community.  |
| 5 | InspiringHK Sports Foundation            | Sports LINK Community Project<br><a href="https://www.facebook.com/iHKsports/">https://www.facebook.com/iHKsports/</a>   | <p>Established in 2012 with a vision of “Better Youths, Through Sports”, InspiringHK Sports Foundation believes sports can increase social mobility for the underprivileged youth, and at the same time promote gender equality, social inclusion and a healthy lifestyle.</p> <p>The project aims to build confidence in underprivileged youth in five districts through professional long-distance running training. The youth will design running routes for their own districts to strengthen their sense of belonging to their community. In order to promote sports for everyone, the project also offers sports classes for children, families and the elderly taught by professional coaches. Sports hours will be cumulated and converted to sports packs as gifts to the elderly, which encourage participants to give back to the community.</p>     |
